PROJECTS

- **Web Development: Personal Portfolio** (July 2017 – August 2017)
 - My personal website consists of projects I have worked on and shows a bit of my personality. I created this website using HTML, CSS, jQuery, and Bootstrap.
<http://www.annieschung.com>
 - **Web Development: Registered Processed Servers** (March 2017 – May 2017)
 - I created a website for process servers in the Bay Area in a team of 3 people (including myself) using Bootstrap, HTML, CSS, JavaScript, jQuery, and PHP.
<http://www.registeredprocessserver.com/>
 - **Fortune Cookie Fremont Android Mobile Application** (January 2017 – March 2017)
 - Fortune Cookie Fremont is an Android application for a restaurant called Fortune Cookie in Fremont, CA. This application is a delivery application for users to order ahead. I worked in a team of 2 people (including myself) using Java and XML in Android Studio.
https://play.google.com/store/apps/details?id=com.digitalprogramindustries.Fortune_Cookie_Mobile_Application
 - **Career Go** (January 2016 - May 2016)
 - Created a prototype of an online job search system for college students in a team of 3, including myself, using Visual Basic (VB.NET) with Visual Studio
-
