OBJECTIVE

I am a web developer specializing in front-end development. I enjoy bringing projects to life by creating websites and web applications to ensure a simple and creative user experience.

(510)-828-7059
San Ramon, CA 94583

EXPERIENCE

Web Developer Intern (October 2017 - present)
People-OnTheGo San Francisco, CA

- Developed a front-end web application using HTML, CSS, JavaScript, nodeJS and MongoDB.
- Conducted functionality and user tests for web applications

Freelance Front-End Developer: (January 2017 - present)

- **Mizzico Furniture**
 - Developed a static website for a furniture company in Hayward, CA.
 - www.mizzico.com
- **Registered Process Servers**
 - Developed a responsive, static website for process servers in the Bay Area using Bootstrap, HTML, CSS, JavaScript, jQuery, PHP.
 - www.registeredprocessserver.com

Office Administrator (May 2014 – December 2016)
Mizzico Furniture Hayward, CA

- Informed customers about product specifications, tolerances, and lead times.
- Priced out order for customers and created cut lists to warehouse for production.

PROJECTS

My Study Cards (March 2018 – present)

- Currently developing a flashcard web application for professors and students using HTML, CSS, JavaScript, jQuery, and PHP.

Fortune Cookie Fremont: Android Mobile Application
(January 2017 – March 2017)

- Fortune Cookie Fremont is an Android application for Chinese restaurant called Fortune Cookie in Fremont, CA.
- This application allows users to order ahead for delivery or pickup.

Personal Portfolio (July 2017 – August 2017)

- Developed a responsive, personal website which consists of past projects and shows my personality.
- annieschung.github.io/
